

Guidelines for preparation of M.Sc. (Computer Science) Project Report

I: Project Report : During IV Semester, all candidates shall undergo practical training in any organisation and submit a report thereon along with a practical training certificate obtained from the organisation. It will be valued for 100 marks.

Students of **M.Sc. (Computer Science)** must undergo practical training in reputed organisation. In case of in-service candidates, the project report should relate to the candidates' organisation. It should be approved by the CDE – ICT Division, Acharya Nagarjuna University, Nagarjuna Nagar.

The project report carries a maximum of 100 marks. The Project Report shall be guided and certified by a recognised guide approved by CDE – ICT Division. The completed project report should be sent to the email id anuonline8@gmail.com before the due date as communicated by the Office. It is compulsory to submit hard copy of the project Report to Director, CDE – ICT Division, Acharya Nagarjuna University.

Project Work

The purpose of the project work is primarily to demonstrate the application of knowledge and skills acquired during the Programme, by studying and analysing the selected programme in the work situation in a systematic manner while suggesting solutions to the management.

The topics for project may be taken from any one of the following sources:

- Comprehensive case study: The main motivation is to expand the knowledge related to the science and technology latest trends.
- Applied Projects: Applied research is designed to solve practical problem of the modern world.
- Quantitative Projects: Quantitative research aims to measure the quantity or amount and compares it with past records and tries to project for future period.
- Qualitative Projects: Qualitative research is collecting, analyzing and interpreting data by observing subjectively.

Project Proposal

1. The proposal of project (synopsis) should be prepared in consultation with the guide and sent to email id "anuonline8@gmail.com". The proposal should clearly state the significance, objectives, methodology, statistical techniques to be used, limitations if any and future directions for further research, etc.
2. Eligible project guide may be taken from any one of the following:
 - i) Faculty of CSE of Acharya Nagarjuna University campus.
 - ii) Ph.D holders working in PG departments of CSE of affiliated colleges.
 - iii) Teaching faculties of departments of CSE of any other university recognised by Acharya Nagarjuna University.
 - iv) Senior executives holding master's degree in CSE or allied disciplines with a minimum of 10 years of experience.
- V) All candidates are permitted to work on his Project/Dissertation at the place of employment, any recognized Institution/R&D Organization/Industry and submit a report thereon along with a practical training certificate obtained from the organisation holding a minimum of P.G. Degree in the concerned area of specialization.

Students are advised to send their projects synopsis and bio data of guide (in case of ii, iii, iv & v above), which must be duly signed by the guide, to the email id anuonline8@gmail.com. If the proposed guide is not acceptable, the student shall be advised accordingly and in all such cases, the student should change the guide before the proposal is considered for approval. Similarly, if a student wants to change his / her guide after some time, he / she would be required to submit the project proposal along with the signature of the new guide on a new project proposal proforma.

3. The project proposal shall be sent in the proforma (format is given at the end of this note) along with one copy of synopsis and bio-data of the guide to the mailed "anuonline8@gmail.com" for approval. Proposals incomplete in any respect will straight away be rejected. Students are advised to retain a copy of the synopsis.
4. **The Certificate issued by the Organization where the candidate worked for his project work must also be included in the report.**
5. **Communication of approval / non-approval of the project proposal will be sent to the candidate within one month of the receipt of the proposal.**
6. Communication of non-approval of the proposal will be accompanied by comments / suggestions for reformulating the project. The revised project proposal should be submitted in the new proforma. A copy of rejected synopsis and project proposal proforma wherein the comments or suggestions of the evaluator are given should also be submitted.

Note:- Without the approval letter, the project report will not be evaluated. Students are advised to select their guides who are either teachers or active professionals in the relevant area of the selected topic.

Preparation of Project Report:

- (i) The report should consist of (a) significance of the study, (b) objectives, (c) sampling and methodology, (d) statistical techniques used, (e) limitations, if any, and (f) guidelines for future research.
- (ii) The length of the report shall be in between 60 and 80 double spaced typed A4 size pages (excluding appendix and exhibits). The report is to be submitted in a bound volume.
- (iii) The project report should also contain:
 - (a) Project approval by the University
 - (b) **The Certificate issued by the Organization** where the candidate worked for his project work must also be included in the report.
 - (c) Certificate from the supervisor as to the originality of work.
 - (d) A statement from the candidate mentioning that the work is a original one and has not been submitted earlier, either to this university or to any other institution for fulfilment of the requirement of a course of study.

The candidate has to prepare TWO hard copies of the project report. Soft copy of the project report is to be sent to email id "anuonline8@gmail.com" and one hard copy of the project report should be submitted to the Director, CDE – ICT Division, ANU by post before the due date as communicated by the office. One hard copy of the project report is to be retained with the student. The copy sent to the Director, CDE – ICT Division, ANU will not be returned.
